*Hello!*

**I am Anuj Nandurkar  
Business Analyst**

## ABOUT ME

"I am a **Business Analyst** enthusiast with **4 years of experience** in the IT industry. I initially started as a QA (Test Engineer) spend 1.8 years as a functional tester.

Then I then transitioned into a **Business Analyst** role, where I excel in **requirement gathering, stakeholder management, and handling the product backlog**. I work closely with the business, development, and QA teams. I'm always eager to learn, adapt, and help businesses unlock their full potential through efficient project execution and collaboration."
